Re: APPLICATION FOR PUBLIC HEARING

Hosston B Zone, Reservoir A, and Hosston C Zone, Reservoir  
A, BEAR CREEK FIELD, Bienville Parish, Louisiana.

Dear Sir:

EL PASO E&P COMPANY, L.P. ("Applicant"), hereby respectfully applies for a public hearing to consider evidence relative to the issuance of Orders pertaining to the following matters relating to the Hosston B Zone, Reservoir A, and to the Hosston C Zone, Reservoir A, in the Bear Creek Field, Bienville Parish, Louisiana:

1. To permit Applicant to drill, designate and utilize an additional alternate unit well for HOSS B RA SUZ and for HOSS C RA SUJ, and an additional alternate unit well for HOSS B RA SUQ and for HOSS C RA SUP, at the locations shown on the attached plats, in exception to the spacing provisions of Office of Conservation Order No. 78-Q, effective February 18, 1971 (applicable to the Hosston B Zone, Reservoir A), and of Office of Conservation Order No. 78-Y, effective September 11, 1980 (applicable to the Hosston C Zone, Reservoir A).
2. To find that drilling, designation and use of each of these alternate unit wells is necessary to efficiently and economically drain a portion of the Hosston B Zone, Reservoir A, and the Hosston C Zone, Reservoir A, underlying the units on which the well is proposed to be drilled which cannot be efficiently and economically drained by any existing well within these units.
3. To permit the Operator of HOSS C RA SUJ and of HOSS C RA SUP to produce the allowables assigned to these units from either the unit well, any alternate unit well, or from any combination of such wells, at the option of the Operator.
4. To permit Applicant to combine downhole production from the Hosston B Zone, Reservoir A, with production from that portion of the Hosston C Zone, Reservoir A, lying above the stratigraphic equivalent of the depth of 10,500 feet (said depth being 100 feet below the total depth drilled in the Sonat Exploration Company--Culbertson A No. 1 Well, located in Section 31, Township 17 North, Range 5 West, Bienville Parish, Louisiana), in any well drilled on HOSS B RA SUQ and HOSS C RA SUP in which well the interests in these units are identical.
5. To consider such other matters as may be appropriate and justified by the evidence presented at the hearing.
